## General Information

### Kindergarten - Grade 5 Spring Break Camp

March 19 - 23 from 9:00am to 3:35pm.

Students from kindergarten to grade 2 and grades 3 to 5 choose one full-day block that runs Monday – Friday. Each block contains six classes of activities. Small class sizes ensure that students receive quality time with their teachers. Please refer to the timetable for the content of each block.

**Students must bring a nut-free lunch and a snack each day.**

### Grades 6 - 9 Spring Break Art Intensives

Four, week-long, half-day art intensives run over the two weeks of SD #43 Spring Break and are designed specifically for youth, allowing them to delve more fully into their chosen art form. Students taking both morning and afternoon intensives should bring a nut-free lunch and snack each day.

### Registration

Registration opens on **Monday, January 22**. Registration may be done online starting at 12:01am or by phone at 604.664.1636 or in person starting at 9:00am, and is on a first-come, first-served basis. **Full payment of program fees must be made at the time of registration.**

### Withdrawal

A student may withdraw up to seven (7) days prior to the camp start date. A refund of the class fee will be granted less the non-refundable registration fee. Refunds will not be granted after the seven (7) day period has passed. Exceptions for medical or compassionate reasons may be considered upon receipt of a written request submitted at least 24 hours prior to the start date of the class to [info@placedesarts.ca](mailto:info@placedesarts.ca). A medical certificate may be required. Upon approval, a refund of the class fee will be granted, less the registration fee and any applicable supply fees.

## Kindergarten - Grade 5: March 19 - 23

### Acting Superstars

Discover the art of acting through improvisation and participating in various drama games and exercises. Release your inner superstar and learn to express yourself freely and confidently. You'll develop your performance skills while exploring new acting techniques and styles.

Teacher: Peter Grasso

### Body Rhythm and Percussion

Stomp, clap, pat and snap! This upbeat class blends dance and music techniques into an exciting performance art. You'll learn how to create various rhythms and sounds using just your body. Teacher: Ashley Binette

### Clay Play

Use your imagination to create a handbuilt project each day. Projects created on Monday and Tuesday will be kiln fired, while other days will feature non-fired creations. All projects will be painted and completed by Friday. Teacher: Tony Wilson

### Drawing and Painting Fiesta

Learn about the creative process by planning and executing your artistic ideas. Each day, you'll work on a new aspect of a themed drawing and painting project using different tools and techniques. You'll explore the basic principles of colour mixing and the elements of visual composition while improving your drawing and painting skills. Teacher: Stan Hunc

### Fun with Painting

Capture your creativity as you discover various art techniques using pencils, paintbrushes and collage. You'll explore light, colour, shape, shading and form in this fun, hands-on art class.

Teacher: Adrian Walker

### Hip Hop Kidz

Come and dance along to a groovy beat, play fun coordination games and learn how to set your moves to funky music in a lively environment. Teacher: Joey Browne

### Intro to Breakdance

Get up and dance! In this beginner breakdancing class, you'll learn some fun introductory breakdance steps and poses through movement games and exercises. Teacher: Joey Browne

### Intro to Violin

Learn to play the violin! Come and explore fundamental musical elements and basic techniques of playing the violin. Practice violins for classroom use are included. Teacher: Lucia Roh

### Musical Theatre Stars

Learn to sing, dance and act all at once! Through games and exercises, you'll be introduced to warming up, vocal exploration, coordination and storytelling. Teacher: Natasha Sengotta

### Musical Theatre Glee Club

Practice the musical-theatre skills of acting, singing and dancing through fun games and exercises. Then, focusing on current pop songs, learn how to combine your skills in a short piece. Teacher: Natasha Sengotta

### On-Camera Acting

Through improvisation, scene study and various drama exercises and games, learn the fundamental techniques of acting on camera. By the end of the week, you'll learn how to relax and develop a comfort level when acting for TV and film. Teacher: Peter Grasso

### Origami Mobile

Come make your own spring-themed paper mobile filled with origami creatures! Learn to fold birds, flowers and more using this ancient Japanese paper folding technique. Teacher: Sung-Eun (Sarah) Park

### Paint Like the Great Masters

This class will bring the sunshine and landscapes of Cezanne, Monet and Provence into the classroom. From the techniques of Impressionism to Pointillism, we will use a variety of methods and mediums to explore and recreate the styles of these great visual art masters. Teacher: Adrian Walker

### Portrait Painting

In this class, you'll explore self-expression through painting. Starting with the basics, you will learn drawing and painting techniques that will help you gain confidence in capturing the human face in tempera and acrylic paint on canvas. Teacher: Adrian Walker

### Printmaking: Impressions

Each day, explore a different printmaking technique such as (nontoxic) relief, lithography and intaglio. On the last day, learn how to turn your prints into unique books with a bookmaking technique. Teacher: Julie McIntyre

### Rhythm Fun

Have fun learning to use a variety of rhythm instruments and then, as a group, play along to some of your favourite songs. Teacher: Jenneka McRae

### Speech Arts & Drama Adventures

Have fun using story-telling and scene-work to practice listening, reading, vocabulary and speaking. You will also learn the basics of improvisation through fun drama games. Develop confidence with your speaking abilities as well as an appreciation for drama and presentation. Teacher: Natasha Sengotta

### Ukulele Play

Come and learn how to play the ukulele or brush up on your ukulele skills. We'll have a blast playing along to great music! Tuning, rhythm and basic music theory will also be covered in class. Practice ukuleles for classroom use are included. Teacher: Jenneka MacRae

### Watercolours and Pastels

You'll be amazed at the results when you add a twist to traditional watercolour painting. Learn the basic techniques of watercolours and both soft and oil pastels, then explore how to combine the two mediums to create interesting works of art. Teacher: Olga Pirogova

### Weaving Fun

Explore the fibre arts and create your own beautiful and functional one-of-a-kind treasures. Make a new project each day: spinning, dyeing, weaving and felting, while gaining hands-on experience. You'll develop colour sense and learn how different fibres can be transformed. Teacher: Catherine Dumaine

Place des Arts is  
nut-free during camp

## Grades 6 - 9: March 19 - 23 & 26 - 29

### March 19 – 23, 9:00am – 12:00pm

#### CERAMIC SCULPTURES: SPRING GARDEN

In this workshop, you will conceptualize, design and build a hand-made ceramic sculpture. Concepts for your sculptures may include human figures, animals, architecture, robotics, fantasy or all of the above!

Teacher: Vin Arora

### March 19 – 23, 12:35pm – 3:35pm

#### DRAWING & PAINTING INTENSIVE

Discover the foundations of visual art in this drawing and painting intensive. Using easy-to-learn strategies and techniques, begin the week with an accessible look at art appreciation, then work your way through various drawing and painting techniques. At the end of the week, gain a better understanding of the connections between drawing and painting.

Teacher: Adrian Walker

### March 26 – 29, 9:00am – 12:00pm

#### POTTERY INTENSIVE

Are you interested in creating some cool sculptures and awesome dishes with your own hands? Then this week long ceramic intensive is for you! You'll learn both wheel-throwing and handbuilding techniques in a self-directed environment that fosters both technical and individual expression. All ceramic glazes are food safe and fully usable for the kitchen table.

Teacher: Tony Wilson

### March 26 – 29, 12:35pm – 3:35pm

#### iDJ: SCHOOL OF MIX

Do you want to be a DJ? With a hands-on approach, learn the techniques that world-class DJs use on stage every night! You'll work on modern industry standard DJ equipment and explore the history of disc jockeying, the qualities and application of sound, live performance and more! Learn how to mix and manage, just like a pro. Teacher: iDJ Services
