## Artisan Shop Application Form

One of Place des Arts' purposes is to provide space where artists /artisans may leave their work for display and sales. Our Artisan Shop was designed to give community artists this opportunity.

A jury committee decides what is acceptable for Place des Arts' Artisan Shop. The committee follows a strict set of guidelines before giving an artist permission to have their works in the gift shop. Permission will be reviewed on a regular basis.

If you are interested, please provide us with a sample of your work(s) for the committee to review and include the **price(s)** (*Upon acceptance, the artisan receives 70% of the retail price*). You will be contacted by phone with the results.

Please look over the list of guidelines below. Questions or comments can be referred to our gift shop coordinator.

- all pieces must be original, unique and of high quality
- all pieces must be hand crafted in the Lower Mainland
