Artisan Shop Application Form

Part of Place des Arts' mandate is to support local, emerging artists. We do this by providing space where artists /artisans may display and sell their work. Our Artisan Shop was designed to give local artists this opportunity.

A jury committee decides what is acceptable for the Place des Arts Artisan Shop based on saleability and presentation and has the right to refuse any item.

If you are interested in selling your work in our Artisan Shop, please provide us with a sample of your work(s) for the committee to review and include the price(s). You will be contacted by phone with the results. Upon acceptance, a \$10 application fee will apply.

All pieces will be adjudicated using the following guidelines.

- all pieces must be original, unique and of high quality
- all pieces must be hand crafted in the Lower Mainland
- subject matter of all pieces must be appropriate for a community arts centre
- high priced and/or larger pieces may not be accepted
