

SUPPLY LIST

Online: Weave at Home – Cardboard Storage Container with Dawn Livera

What you need to provide:

- 1 pair of scissors, sharp enough to cut cardboard
- 1 bottle of white glue
- Approximately 20 clothing pegs/pins, or 1" metal binder clips
- At least 20 strips of cardboard, before the first class please prepare at least 20 strips of corrugated cardboard (approximately 1" wide by 18" long) using:
 - a long metal ruler or other straight edge
 - cutting blade (xacto knife or box cutter)
 - cutting mat or extra cardboard to protect the surface you are cutting on
- Optional: paintbrushes, and acrylic paint if you want to paint your cardboard before weaving
