

SUPPLY LIST

- Prepare the following 4" square tiles to use for testing. Ideally, make the tiles a "T" shape, so they can stand upright in the kiln:
 - 6 leather hard tiles
 - 6 greenware (bone dry) tiles
 - 6 bisque tiles
- Bring any texture tools you have such as stamps, found objects, etc.
- Soft, non-grogged clay (such as M-370)
- A variety of paintbrushes
- Pottery tools
- A selection of coloured underglazes (test amounts or bring what you have)
