# PLACE DES ARTS

## ROOM 103

### Theatre Sampler with Joanna Kovats

Welcome to the wonderful world of theatre, where imagination and creativity come alive! Come together as a family and find out all about the excitement of the theatre. Learn about theatre etiquette, acting and movement. Learn how to invent different characters and have fun creating a story together through fun games and improvisation.

## ROOM 101/LEONORE PEYTON SALON

### Yarn Mobile with Catherine Dumaine

Choose from a large selection of fun and colourful yarns and learn to tie a “larks head knot” to create a beautiful Yarn Mobile.

### Valentine's Activity with Youth Arts Council (YAC)

Create a pipe cleaner rose and baby breath and turn it into a sweet Valentine's gift. Shape the petals and leaves, then wrap your flowers in tissue paper and finish it with a ribbon to take home.

## ATRIUM

### Artist Demonstration by Jeidn Winkler

Artist Demo at Family Day: Exhibiting artist Jeidn Winkler will offer a live demonstration of their art-making process, working on a piece in real time and offering insight into their evolving style and creative approach.

## ROOM 202

### Comic Jam! with Kathleen Gros

Inspired by classic comic jams, families will be invited to "finish the story" when provided with the first panel of a comic. Ask yourself, 'what happens next?' to draw the next panel. Or shake things up and decide what goes wrong. Families can also start another story for someone else to finish. Let your creativity soar!

## ROOM 109

### Fun with Oil Pastels with Clarissa Banos

Learn to paint a snowy owl using a variety of materials like oil pastels, watercolour paint, and markers. Design your owl the way you like using cardboard, stencils, scissors, and glue and add details such as eyes, beak and wings. Hoot hoot!
